Bath and North East Somerset, Swindon and Wiltshire Integrated Care Board seeks to commission a Community Mental Health Service for Children and Young People (CYP) within the Swindon locality that delivers high quality community based support services that are strengths-based, personalised, and that empower CYP to stay well and avoid crisis.

The ICB want to work with providers who are committed to innovation and creativity in delivering good health outcomes.

The scope of this service is to bring together three elements of the mental health pathway under one contract to ensure that services are more streamlined, with increased accessibility, and the need to embed the iThrive model. The three elements as they stand are:

- Targeted and Mental Health Support (TAMHS)
- Mental Health Support Teams (MHST)
- Online/digital counselling

The aims and objectives of the service are:

- Implementation of the iThrive model across the CYPMH pathway to provide an integrated model of care for children and young people from early advice to getting risk

support.

- Implementation of a 'no wrong front door' single point of access to CYPMH services in Swindon, including an agreed standard operating procedure & referral form spanning all providers, robust recording and reporting and clarity of role and responsibilities of providers in ensuring a seamless working model.
- A review of governance arrangements delivering integrated reporting, oversight, accountability, and decision making for the CYPMH pathway in Swindon
- Partnership working with all agencies to enable holistic needs to be met and collaboratively identifying and managing changes in functioning or mental state.
- Timely intervention and care planning to prevent and reduce the need to access clinically defined crisis services or hospital emergency department care.
- CYP receive timely support to de-escalate their mental distress during self-defined emotional crisis and are better placed and able to identify and engage with local sources for support.
- Enabling access to appropriate up to date information, advice and support to meet needs that supports care for the child/young person where they present.
- Robust data capture and uploading into the Mental Health Services Data Set to enable a single view of activity delivered in every setting.
- Demonstrating quality in practice and in the experience of CYP using services
- Promoting positivity and innovation in the workforce.
- Evidencing positive outcomes for people who use the service.
- Providing services built around the needs of each individual, acknowledging their carer(s) and families in the process.
- Evidencing involvement, feedback and learning from children and young people, their families and friends, staff and from incidents to continually provide service improvements.

The initial contract term will be for 5 years, with an optional extension of any period up to 2 years. The maximum budget per annum is £2,252,650 and has a total contract value of £11,263,250.
