## **713887451 - GSA9 Tender Notice - UK4**

Defence Equipment and Support

### **Unawarded contract**

This contract will not be signed.

### **Date of decision not to sign contract**

2 February 2026

### **Reason for not signing contract**

The procurement is being abandoned due to:

1. All bids received were deemed to be commercially non-compliant, in-line with the ITT pack sent out to all invited bidders. As a result of this, all bids received were not brought forward to the second stage of evaluation (Technical Compliance).
2. Bidders submitted requests for material changes to the draft contract off the back of the self-reported non-compliance that have been deemed unacceptable.
3. The ITT pack outlined that negotiations do not apply to this tendering process, which the ITT rules do not permit the Authority to have further dialogue with the bidders to

negotiate acceptable contracting positions.

4. The Authority is now reviewing its requirement for GSA9 Support and how any such requirement may be fulfilled in the future. Any future opportunities will be advertised on Defence Sourcing Portal.
