The BATP will conduct familiarisation visits for our key markets: Canada, UK, USA and Europe in July/August 2022 to coincide with the Commonwealth Games, showcasing Birmingham and the West Midlands region as a business events destination.

Key Outputs

- The ability to host delegates in region as part of a familiarisation programme is essential experience designed to raise awareness of the region and educate business event organisers on the offer presented by West Midlands.
- By hosting delegates during the games, we anticipate the activity to contribute towards building a sufficient future pipeline of conference bids in order to secure 11 conference wins by 2026.
- Integrating with the work of the Conference Ambassador Network, it will allow us to connect both local ambassadors and HQ decision makers on territory.

Rationale for Procurement

- As part of the BATP, hosted familiarisation visits will be held during summer 2022 for key markets (UK, Europe and N America).
- These visits will highlight the best of Birmingham and West Midlands products (conference/meeting venues, accommodation, experiences, dining) to key contacts, supporting both awareness and appetite for travel to the region.
- There will be a cross programme collaboration between WMGC and VisitBritain in-market teams to deliver this activity.
- The FAM visits will support relationships with key buyers to strengthen the region's image and increase the volume and value of business events coming into the region by stimulating future growth within the sector and supporting markets that produce high value.
