Description

Interested suppliers are asked to complete a Request for Information (RFI) This RFI seeks to improve our understanding about the market and focuses on 4 key areas: 1. UK nutrition market overview 2. UK nutrition market and current commercial model 3. Future market options 4. Implementing change Please note the following general conditions: • This RFI will help us to refine the requirements. • Nothing within this document or the broader market engagement exercise shall constitute a commitment to proceeding to procurement. • Any and all costs associated with the production of such a response to this RFI must be borne by the Supplier. We will not contribute in any way to meeting production costs of any response. • We expect that all responses to this RFI will be provided by companies in good faith to the best of their ability in the light of information available at the time of their response. • No information provided by a Supplier in response to this RFI will be carried forward, used or acknowledged in any way for the purpose of evaluating the Supplier in any subsequent formal procurement process. All

questions are optional and any feedback received will be used for information purposes only. Feedback will not be evaluated or scored and it will have no bearing on any potential future contract award. Please note: This may or may not lead to a full procurement process/contract, therefore contract start and finish dates are estimated only.
