## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.3) Additional information**

Parties wishing to express an interest to participate in this contract opportunity must complete a Pre-Qualification Questionnaire (PQQ), which will be accessed via ScotRail's Wax portal

(<https://scotrail.wax-live.com/S2C/DisplayModules/TradeModules/Negotiations/Opportunities/ListEvents.aspx>)

Reference SR193 and which will also be the platform for responses.

A completed Prequalification Questionnaire must be submitted by the date shown at IV.2.2.

Bidder's responses are evaluated and based on the outcome of the PQQ a select number of bidders will be taken through to the ITN stage.

Access to the procurement documents is restricted and access via ScotRail's Wax portal will only be given to those shortlisted after the PQQ process has been completed.

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the

Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

This is a direct material supply contract where no sub-contractors will be used.

The Contracting Authority does not intend to include any community benefit requirements in this contract for the following reason:

Community benefits clauses will not apply to this contract. The contract authority is a new entity and has yet to establish its policy or obligations in the area of Community benefits. This is something which will be looked at for future contract award criteria.

(ScotRail Trains Reference SR193).
