II.1.4) Short description

A Framework Agreement for the supply of Continence Goods & Services. The duration of the framework is 4 years (3 year initial term with the option to extend for 12 months). The framework is split into the following lots:

- Lot 1: Bulk Provision of Continence Goods and Services

The scope of this lot includes:

- * Wearable continence products
- * Washable and disposable underpads
- * Clinical support
- * Bulk delivery service.
- Lot 2: Home Delivery Provision of Continence Goods & Services

The scope of this lot includes:

- * Wearable continence products
- * Washable and disposable underpads
- * Clinical support
- * IT management system
- * Home delivery service
- Lot 3A: Continence & Pelvic Health Accessories

The following products are included within the scope of this lot, however, this list is not exhaustive:

- Faecal management products

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

HTE incorporated a standstill period at the point information on the award of the contract is communicated to tenderers. That notification provided full information on the award decision. The standstill period, which was for a minimum of 10 calendar days, provided time for unsuccessful tenderers to challenge the award decision before the contract is entered into. There were no unsuccessful tenderers.
