### **Scope**

#### **Description**

Maidstone Borough Council (“the Council”) invites tenders from suitably qualified and experienced organisations to provide recruitment, selection, and governance services to establish the Park Wood & Senacre Pride in Place Neighbourhood Board. This commission

includes the appointment of an Independent Chair and the formation of a representative, community-led Board.

The Park Wood and Senacre Middle Super Output Area (MSOA) has been selected to participate

in the UK Government’s Pride in Place Programme. This comprises a 10-year, £20 million

endowment-style investment aimed at revitalising local neighbourhoods. As defined in the

Government's Pride in Place Prospectus, the programme shifts power away from traditional

public sector structures, placing strategic decision-making directly in the hands of local residents

and stakeholders

The programme is built upon three core objectives:

- Building Thriving Places: Revitalising high streets, community assets, and physical infrastructure to create vibrant, welcoming neighbourhoods.
- Strengthening Communities: Restoring the social fabric by improving social infrastructure and fostering a collective sense of belonging.
- Taking Back Control: Empowering residents to take direct ownership of their area's future through a community-led governance model.
