Single use Scope

Lot No

6

II.2.2) Additional CPV code(s)

- 33168100 - Endoscopes

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

single use Scope.

NHS Scotland are seeking suppliers to provide single-use endoscopes as part of an upcoming tender framework to provide therapeutic

and/or diagnostic support to a variety of clinical specialties. These should offer high-quality imaging, enhanced safety through single-use

design, and ease of use across multiple medical and surgical procedures. All products must meet relevant regulatory standards. Suppliers

are not required to provide endoscopes that cover all specialties and may offer product for one or more of the specialties named below.

Scope Specialties Required:

Pulmonology/Respiratory, Anaesthesia and Critical Care, ENT, Gastroenterology , Urology. (Adult +/- paediatric use).

We require suppliers to provide detailed specifications of their range of single-use endoscopes, including but not limited to speciality use

function, dimensions of endoscopes available within the range offered, materials, compatibility with relevant medical equipment, and any

other relevant features. The endoscopes must be ready for immediate use, with no reprocessing required, and designed to prevent

cross-contamination and ensure patient safety.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 30

Quality criterion - Name: Support & Service / Weighting: 10

Quality criterion - Name: Sustainability / Weighting: 10

Cost criterion - Name: Cost / Weighting: 50

II.2.6) Estimated value

Value excluding VAT: £11,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently awarded contract,

the

types and levels of insurance indicated below

Minimum level(s) of standards possibly required

The Bidder should provide its (“general”) yearly turnover for the last 3

years

The Bidder should provide its yearly (“specific”) turnover in the business

area(s) covered by the contract for the last 3 years

Employers (Compulsory) Liability Insurance GBP 5,000,000 minimum

Public Liability Insurance GBP 5,000,000 minimum

Product Liability Insurance GBP 5,000,000 minimum

Please see the full requirement detailed within the ITT

III.1.3) Technical and professional ability

Minimum level(s) of standards possibly required

Minimum level(s) of standards required:

- All tendered products must fully comply with the Requirement Documents included within the tender.

- If awarded to the Framework Potential Framework Participants must provide evidence that tendered products are CE marked, or will have

obtained a CE mark prior to the products being available for purchase, complying with Medical Device Directive 93/42/EEC. Evidence

should

be in form of a certificate of compliance issued by a UKAS (or equivalent) accredited independent third party.

- If awarded to the Framework Potential Framework Participants must prove that they hold ISO 13485 certification or equivalent or are in

the

process of obtaining certification.

- All tendered pricing must be inclusive of delivery.

- Potential Framework Participants must confirm they are able to meet all mandatory requirements as detailed within the ITT.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2025/S 000-004115](#)

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

21 April 2025

Local time

10:00am

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 3 (from the date stated for receipt of tender)

IV.2.7) Conditions for opening of tenders

Date

21 April 2025

Local time

10:00am

Section VI. Complementary information
