Description

Lancashire County Council was seeking tenders for the provision of residual waste recovery services in East Lancashire.

The requirements have been split into four lots covering the four East Lancashire district areas of Burnley, Hyndburn, Pendle, and Rossendale.

The services will comprise the acceptance, weighing and recovery of residual waste arising from each district area and delivered to a provider's facility by the relevant Waste Collection Authority for the area, Lancashire County Council, and/or their respective transport contractor(s).

Lot 1. Burnley

Description

The acceptance, weighing and recovery of approximately 24,000 tonnes per annum or residual waste arising in the Burnley district.

Lot 2. Hyndburn

Description

The acceptance, weighing and recovery of approximately 21,250 tonnes of Residual Waste arising from the Hyndburn district.

Lot 3. Pendle

Description

The acceptance, weighing and recovery of approximately 27,000 tonnes of residual waste arising from the Pendle district.

Lot 4. Rossendale

Description

The acceptance, weighing and recovery of approximately 17,150 tonnes of residual waste arising from the Rossendale district.

Supplier

- ENVIROFUEL (SRF) LTD

Contract value

- £16,192,745 excluding VAT
- £19,431,294 including VAT

Above the relevant threshold

Date signed

22 January 2026

Contract dates

- 1 April 2026 to 31 March 2028
- Possible extension to 31 March 2030
- 4 years

Description of possible extension:

The initial term is two (2) years from the service commencement date and the Council may, in its absolute discretion, extend the term by a further period or periods of twelve (12) months up to a maximum of twenty-four (24) months. At either the end of the initial term or extended/maximum term, there may be a requirement for the services to continue, in this instance the services may be re-procured.

Services

Options

The right to additional purchases while the contract is valid.

The initial term from the service commencement date will be two (2) years with the option to extend by a further period or periods of twelve (12) months up to a maximum of twenty four (24) months. The total maximum Contract duration from the service commencement date being four (4) years.

CPV classifications

- 90500000 - Refuse and waste related services

Contract locations

- UKD46 - East Lancashire

Key performance indicators

Name	Description	Reporting frequency
Provider Facility Contracted Hours	The Provider Facility and its delivery point shall be open for the receipt and collection of Residual Waste at all times during the Contracted Hours.	12 months
Turnaround time	The turnaround time (the time between a Registered Vehicle weighing in on the Weighbridge at the Provider Facility and leaving the Provider Facility (having weighed out on the Weighbridge and having properly deposited the Residual Waste)) shall not exceed thirty (30) minutes, save where such delay arises in consequence of events outside the control of the Provider.	12 months
Reports	An electronic record (or such other record as agreed by the Authority) of all Weighbridge transactions at the Provider Facility (detailing all Residual Waste delivered into the Provider Facility, and all Residual Waste collected from the Provider Facility), is to be supplied to the Authority at Monthly intervals in the form of a Monthly Weighbridge Report.	12 months
