VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Additional bed capacity and provision of additional funding for enhanced observations was required to support timely hospital discharges, which has led to an increased spend against the original contract value.

The lifetime value of the contract has increased from £1,501,714 to £2,748,512.

The effective date of the modification is 01/11/2024

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Urgent circumstances provision was applied in line with the regulations due to increasing additional unpredicted and unprecedeted demand and activity within the urgent care system, which is over and above forecast modelling and the commissioned services' capacity.

Additional bed capacity and provision of enhanced observations was required to support timely hospital discharges and enable flow within, which has led to an increased spend against the original contract value.

The decision to modify the contract was made by the ICB Chief Delivery Officer and Deputy Chief Delivery Officer.

Declarations of Interest were sought from the decision-makers prior to consideration of contract award. No declarations of interest were declared.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptions and average inflation)

Value excluding VAT: £1,501,714

Total contract value after the modifications

Value excluding VAT: £2,748,512
