## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

These supplies can be provided only by a particular operator as competition is absent for technical reasons. No other reasonable alternative exists for this procurement. The vantage frame is required for neurosurgery and is the only product that meets specific clinical needs. These frames are required for deep seeded tumours that require accurate marking that is provided by using these frames. Also used for Deep brain stimulation for Parkinson's patients to stop tremors. The absence of competition is not a result of the artificial narrowing of the parameters of the procurement, this product is essential for service delivery and patient care.
