II.1.4) Short description

**** Pre-Market Engagement**** ID 5309801 DAERA - The Carbon Footprinting Project Pre Market Engagement

DAERA requires a Supplier to provide the administration, delivery, support and maintenance of a Farm Carbon Calculator which will

provide farm businesses with their farm carbon footprint. Training will be provided by DAERA to assist farmers to use the information

received to take appropriate action to reduce net GHG emissions on their farm. The potential scale and scope of this service is such

that it offers an opportunity to bidders. Prior to initiating the procurement DAERA wishes to establish the level of market interest in

participating in the procurement process. The objectives of this exercise are to: gain an update in supplier awareness, engagement

and opinion, gain an updated insight to the market possibilities and potential innovative solutions; understand risks and issues not

previously considered and inform the Procurement Strategy. Interested parties are requested to complete the questionnaire within the

CfT documents area under ID 5309801 DAERA - The Carbon Footprinting Project Pre-Market Engagement and return it via eTendersNI

by 3.00pm on Friday 12th April 2024. Any requests for clarification relating to this exercise must be communicated using the secure

messaging function on the eTendersNI portal. Responses to requests for clarification will be communicated by CPD to all interested

suppliers through the eTendersNI messaging system. Your completed questionnaire must be uploaded within the eTendersNI portal via

the relevant Call for Tender (CfT) clarifications messaging function.
