Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Area 9 Maintenance and Response Contract (West Midlands)

II.1.2) Main CPV code

- 45233139 - Highway maintenance work

II.1.3) Type of contract

Works

II.1.4) Short description

Highways England is looking for a suitable contractor to provide and undertake all routine and response maintenance, incident response, defect rectification and severe weather delivery on the all-purpose trunk roads and motorways within the West Midlands (Highways England Area 9). The Area 9 Strategic Road Network includes Herefordshire, Shropshire, Staffordshire, Warwickshire, West Midlands and Worcestershire.

Additional duties will also include maintenance of roadside technology, the provision of traffic management for the contractor's maintenance and response activities (including traffic management) during incidents and where instructed by Highways England and the maintenance of depots. Under the Construction (Design and Management) Regulations 2015 the contractor will be Principal Contractor for all work they undertake and where / if instructed otherwise by the Service Manager.
