#### **II.2.4) Description of the procurement**

The Beatson West of Scotland Cancer Centre is a national centre for treating non-surgical cancer patients. The purpose of this contract is to provide local, easily accessible accommodation for patients who travel large distances from all over Scotland to receive their treatment. Whilst not being admitted to a ward, they do need to remain within easy reach of the clinic in case of medical emergency.

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

---

## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Form of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

Location of the accommodation is the primary factor for this contract. Patients require accommodation which is close to the Gartnavel Hospital site. This allows patients to attend appointments easily and at short notice from a location within walking distance of the hospital. Patients typically attend daily treatments over a 3-4 week period. They may need to return to the hospital out of hours due to treatment related emergencies. Accommodation situation further away would require additional financial costs for travel as well as causing additional stress and discomfort for the patients having to travel.

### IV.2) Administrative information

#### IV.2.1) Previous publication concerning this procedure

Notice number: [2024/S 000-007438](#)

---
