Notice identifier: 2025/S 000-010491

Procurement identifier (OCID): ocds-h6vhtk-04efed

Published 20 March 2025, 4:05pm

Scope

Description

The NHM is looking to appoint design consultants to help us delivery our vision for a new, permanent gallery at South Kensington dedicated to building a positive connection to nature in our very youngest audiences. The 3D and 2D Exhibition Designer / Exhibition Lead Designer will be responsible for the development, design and specification of the exhibition. They will lead the creative team to deliver the brief. They will be required to determine the infrastructure requirements for the exhibition space and to coordinate with the Lead Architect for their integration. The 3D and 2D Exhibition Designer / Exhibition Lead Designer will be expected to coordinate all exhibition consultants to the delivery of the coordinated exhibition project, whether sub-contracted to them or appointed directly by the Museum.

Engagement

Engagement deadline

19 March 2025

The engagement was carried out before this notice was published.

Engagement process description

E-mails sent to a number of companies to explore market testing of budgets for exhibition and gallery design services with the marketplace, to understand more about how suppliers calculate fee level and particularly:

- The rough fee percentage range for RIBA Stage 2 services onwards, based on construction costs, for 3D and 2D design disciplines (understanding that other services e.g. exhibition lighting, structural services, AV consultancy etc would be separate to this)
- What suppliers expect the 'Construction costs' amount for this working to include e.g. interactives, showcases, setworks etc; if these are produced / have Contractor's Design by others
