VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Extension of the existing arrangement taking the end date from 31st July 2024 up to 31st March 2025

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

The current arrangement was included as a lot within a larger repairs, servicing and maintenance framework, which was set to end 31st July 2024. However due to a large portion of the workload taking place in schools and the end date falling inside the schools six weeks holidays, this would become difficult to administer. Therefore this particular lot has been extended to allow for the new arrangement to begin at the beginning of the next financial year.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1

Total contract value after the modifications

Value excluding VAT: £650,001
