We aspire to be exceptional on everything we do and we achieve this by collaborating, both in terms of teams within the School and also in terms of organisations and 'best practise' elsewhere.

The School provides a safe and stimulating environment, where mutual respect threads through the celebrated ethos of care, support and guidance. In preparing students for the world beyond school, we firmly believe in high standards of dress and attitude, so that good manners, tolerance and understanding underpin everything we do. Tradition is important ~ and we hold on to our traditions and high expectations, whilst also thoroughly embracing innovation and a 21st century approach to learning.

The School has a well-defined vision for the period of this catering contract: 'Our Students and staff see our catering as first rate and as a key part of the day's offer' <https://www.cleeveschool.net/3-5-Year-Strategy-2022/doc/index.html>

There are currently 1570 pupils and 190 staff, this number has increased in recent years due to housing developments in the local area. In recent years the School has made significant investments to increase the size of the well equipped kitchen and upgrade dining room furniture.
