Description

Contract For International End to End Recruitment Partner

Requirement

The University of Winchester (UOW) is currently seeking to grow international students from September 2025, with a strategic aim to progressively grow numbers year on year. To date the University has been successful through a small, dedicated team of international staff to establish a student population of 255 international students.

The University of Winchester has been providing higher education in the UK since 1840. With specialism in teacher training (rated Outstanding by Ofsted), nursing, psychology, business management, accountancy, criminology, law, history, and film production amongst other subject areas

As part of this process, we are looking to invite proposals from providers interested in partnering with the University to provide a full end to end recruitment service in support of growing international students numbers at the University.

Return Date: 12 Noon 15th of April 2025
