Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

There is no reasonable alternative for this product, this is the only suitable implant for children undergoing femoral or tibial osteotomies in specific complex clinical presentations. Patients already have these implants in situ, and further use of the instrumentation is essential for revision. The absence of competition is not a result of the artificial narrowing of the parameters of the procurement.
