The successful supplier(s) will also deliver services to the Council's external customers (e.g. schools, academies, district councils, police forces, fire brigades etc.) The Council effectively trades these FM services to generate income and this 'Traded Provision' is funded via the individual budgets of the external customers. These external customers are located within Leicestershire and the East and West Midlands. This contract will be split into 2 sperate contracts (Contract 1 and Contract 2). For each contract, the 6 highest scorers for each lot will progress to the 2nd stage of the process and will be invited to tender. The Council reserves the right to progress less than 6 bidders to stage 2 at its discretion. Should any of the top 6 bidders not meet the minimum requirements, the Council reserves the right to progress less than 6 bidders to stage 2. The value is based on historic 7 year data, Due to the service being demand led the Council does not guarantee any level of work and the value should only be used a s a guide.
