II.2.4) Description of the procurement

Facilities include eight badminton court sports hall, 70-station fitness suite, two dedicated fitness studios, two squash courts, a climbing wall, and a performance strength and conditioning suite. Externally there are two 3G pitches (football/rugby) and two tennis courts.

The new operator will:

- Provide a safe and compliant facility, environment and service that adheres to all current and future statutory guidelines via robust reporting and maintenance procedures.
- Deliver a wide range of evidence-based opportunities to participate in sport and physical activity, that truly represents and engages increasing numbers of students and staff from beginner through to elite level, that exceed customer expectations.
- Increase and measure membership, retention and activity levels in students and staff by providing appropriate infrastructure and membership systems.
- Provide a range of opportunities for identified groups who have no or low levels of physical activity, including those from underrepresented/target groups. Introduce an Active University Community Programme that should address these, and other challenges, by providing increased opportunities to engage a wide section of our students, staff and local community and include targeted programmes for inactive, social, recreational, and competitive activities.
- Delivery of insight-led, targeted interventions to support mental health for students and staff. And as a result, providing wider social value through strong and positive engagement with the University and key partners.

- Develop a mutually beneficial staffing and research model within the Service organisation that will assist the University in creating employable graduates
