Precise information on deadline(s) for review procedures

Precise information on deadline(s) for review procedures

Any proceedings relating to a breach of a duty owed by SPEN to an economic operator under the Utilities Contracts (Scotland) Regulations 2016 in relation to this procurement must be started within 30 days beginning with the date when the economic operator first knew or ought to have known that grounds for starting the proceedings had arisen unless the court considers that there is a good reason for extending the period within which proceedings may be brought, in which case the court may extend that period up to a maximum of 3 months from that date.
