Award criteria

Name	Description	Type
Simple description	The ITT stage will be based on Price a Total Value Offering (TVO), which will involve evaluating suppliers based on a comprehensive assessment of both cost and non-cost factors, rather than focusing solely on the lowest initial price. This approach will consider elements such as quality, lifecycle costs, sustainability, supplier reliability, innovation, risk management, and service responsiveness. Clear objectives and evaluation criteria aligned to strategic goals will be included in the tender documents, inviting suppliers to demonstrate how their proposals deliver broader organisational benefits.	

Weighting description

The ITT stage will be based on a Total Value Offering (TVO), which will involve evaluating suppliers based on a comprehensive assessment of both cost and non-cost factors, rather than focusing solely on the lowest initial price. This approach will consider elements such as quality, lifecycle costs, sustainability, supplier reliability, innovation, risk management, and service responsiveness.

Clear objectives and evaluation criteria aligned to strategic goals will be included in the tender documents, inviting suppliers to demonstrate how their proposals deliver broader organisational benefits.
