Planning

## Digital Wound Management System

Public Health Wales NHS Trust

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-010682

Procurement identifier (OCID): ocds-h6vhtk-06496c

Published 5 February 2026, 4:32pm

## Scope

## Reference

PHW-FTS-62082

## Description

NHS Wales Performance and Improvement are seeking to engage with the marketplace to invite feedback and/or engage in discussions to help inform the future direction of a proposed procurement for the provision of a Digital Wound Management System.

It is anticipated that the implementation of a Digital Wound Management System will improve outcomes for patients and provide options for self-management, remote monitoring and support a consistent and unified approach to wound management in Wales.

## Total value (estimated)

- £500,000 excluding VAT
- £600,000 including VAT

Above the relevant threshold

### **Contract dates (estimated)**

- 5 April 2027 to 31 March 2032
- 4 years, 11 months, 26 days

### **Main procurement category**

Services

### **CPV classifications**

- 72000000 - IT services: consulting, software development, Internet and support

### **Contract locations**

- UKL - Wales

---

### **Engagement**

#### **Engagement deadline**

27 February 2026

## **Engagement process description**

Suppliers who are interested in engaging with this process can contact Chris Squires ([christopher.squires@wales.nhs.uk](mailto:christopher.squires@wales.nhs.uk)) to express interest and to request a copy of a supplier briefing document which contains an outline of the requirement of the system.

Suppliers are invited to either provide a written response to these questions or to attend a virtual meeting to present their responses and engage in a conversation with key individuals in the project team. The virtual meetings have been scheduled for the 13th February and 23rd February 2026.

Any feedback received during this engagement process may be used to inform the requirements of the system and future direction of the procurement process, should the project progress further.

Any dates or contract values included in this notice have been included to complete the mandatory fields of the notice and are not to be taken as indicative of any future commitment.
