II.1.4) Short description

The services being commissioned are intended to act as a pilot to support the mobilisation and implementation of Barnet, Enfield and Haringey Mental Health Trust's (BEHMHT) new community mental health model which is due to go live in the boroughs of Barnet, Enfield and Haringey in Q1 2021/22. The services being tendered will complement existing resources and support already in place across the boroughs.

The provider(s) of the BEHMHT Community Mental Health Integrated Voluntary and Community Sector (VCS) Services will be expected to act as key strategic partner to BEHMHT and services commissioned will be fully integrated into our new community mental health model.

The contracts for the BEHMHT Community Mental Health Integrated Voluntary and Community Sector (VCS) Services will be for two years with the option to extend the contracts by a further year subject to finances and satisfactory performance by successful provider(s).

The Trust welcomes innovation and understands that provider(s) submitting a bid(s) for relevant lot(s) will set out their ambitions and vision to deliver the services being tendered in line with each lot's specification. However, the Trust will expect any successful provider(s) for a lot(s) to work with the Trust post contract award to finalise details relating to the services they are being commissioned to deliver (i.e. finalising the service name, job titles etc.)

The services being commissioned are for adults who are both Care Act eligible and those who are not Care Act eligible. Provider(s) will need an innovative and flexible approach, striving continuously to improve service delivery and will work with local services in an integrated way.
