II.1.1) Title

All Pathology Disciplines, Point of Care Testing & Managed Services

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

The procurement and supply of pathology & diagnostics testing products and services is vital to the delivery of an effective, efficient, and resilient healthcare service.

This PIN is to help inform the strategy to best meet the future procurement and supply chain needs of the NHS in both Acute & Primary Care settings, and to inform the market that NHS Supply Chain is reviewing their approach to the market for the delivery of Pathology frameworks.

To assist with pre-tender market engagement and scoping of the procurement, interested parties are advised to express their interest in accordance with the information provided, within this PIN.

Potential providers are advised to refer to 'ADDITIONAL INFORMATION SECTION V1.3' below for further important information about the NHS Supply Chain eProcurement Portal. There is a short Expression of interest SQ to complete within Jaggaer to ensure we capture all interested suppliers contact details for future communications.

II.1.5) Estimated total value

Value excluding VAT: £200,000,000
