#### **II.1.4) Short description**

The Department for International Trade is seeking a comprehensive global dataset of companies (including all UK/Ireland companies) to enable the effective delivery of UK investment support services. The dataset procured must provide easily accessible, real-time and accurate company intelligence to support bespoke enquiries from investor

companies, across all sectors/sub-sectors and from all markets, as well as support the development of off-the-shelf propositions demonstrating the attractiveness of the UK. The company dataset must additionally support the verification of foreign ownership/shareholders (defined as 10% ownership by one entity outside of the UK), and internal strategic planning activities such as company profiling for account planning and the generation of target lists of companies for lead generation purposes.

The contract will be for 12 months with an optional 6 month extension. A maximum budget of 188,540 (excluding VAT) has been allocated for the duration of the contract.

Suppliers interested in this opportunity can view the tender documentation on DIT's e-procurement platform, Jaggaer (<https://uktrade.app.jaggaer.com>). The reference number for this opportunity is Project\_1706. To access the documentation, suppliers are required to create a Jaggaer account.
