In March 2018, The London borough of Sutton concluded a framework agreement for a group of economic operators to supply services under an Independent Fostering Accommodation Framework following a formal OJEU open procurement procedure. For reference, the OJEU document number for the contract notice (published on 17 May 2017) is 2017/S 096-189231; and the OJEU document number for the contract award notice (published on 23 May 2018) is 2018/S 097-221718. On 9 December 2021, the above named authority modified the framework for up to 12 months. The modification was under regulation 72 (1) (c) of the publication contract regulations on the grounds that the authority or the market were in a position to tender or bid for a new framework following the impact of the Covid 19 pandemic on resources. The modification does not alter the overall nature of the contract and the estimated spend over the 12 months (£800,000) will not exceed 50% of the value of the original contract or framework agreement.
