II.2.4) Description of the procurement

YPO are looking to renew the Datacentre , Maintenance, Cloud hosting and Security Solutions Framework. We would like to pre-engage with both suppliers and customers to understand in more detail the current market and current requirements. The Framework will go live on 1st August 2023 but the aim is to be awarded by June 2023.

The proposed lot structure is as follows:

Lot 1 - Facility Maintenance

Lot 2 - Design

Lot 3 - Audit and Consultancy

Lot 4 - Cloud, Cloud Services and Hosting

Lot 5 - Build including Modular and Installation Services

Lot 6 - Managed Service

Lot 7 - Colocation /Shared Hosting Services

Lot 8 - Data Security Solutions

Lot 6 - Network Connectivity Services

Our aim is to provide a Direct Award and Further competition route for the above services for the public sector. We are happy to discuss the relevance of the proposed Lot structure.

We are keen to add a direct award element to this framework this time around and also would like to understand cloud procurement in the Public Sector to ensure we can provide a compliant simple efficient route for our customers.

Please contact Zoe Morgan-Kriek ICT Category Buyer to arrange a pre-engagement session zoe.morgan-kriek@ypo.co.uk which will be held during May/June/July 2022 and further meetings/events if required.

Please note that is a request for information to undertake pre-market engagement only and is being sought without prejudice and without commitment. Any information provided will not be used to determine the outcome of the tender process. When, or if, YPO wishes to proceed further a formal procurement process will be followed in accordance with YPO's contract procedure rules and in line with the Public Contracts Regulations 2015. If you are interested in obtaining more information please contact the named contact on this form by the 30th June 2022 at 5pm.

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

This contract is subject to renewal

Yes

Description of renewals

There is a possibility that this framework will be subject to renewal after 3.5 years from the commencement date.

II.3) Estimated date of publication of contract notice

1 March 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

YPO are purchasing on the behalf of other contracting authorities. Please see the below link for details: <https://www.ypo.co.uk/about/customers/missible-users>

YPO will incorporate a standstill period at the point of notification of the award of the contract

is provided to all bidders. The standstill period will be for a minimum of 10 calendar days, and provides time for unsuccessful tenderers to challenge the award decision before the contract

is entered into. The Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
