II.1.4) Short description

This is a Provider Selection Regime (PSR) confirmation of contract award notice. This contract has been awarded under the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. This contract has now been formally awarded using the most suitable provider process.

North East & North Cumbria ICB previously commissioned two separate children's speech & language therapy services: one covering the South Tees footprint (Middlesbrough and Redcar & Cleveland local authorities) and one covering the North Tees footprint (Darlington, Stockton & Hartlepool local authorities). Those contracts both end on 31st March 2025. The ICB have commissioned a Tees Valley Children & Young People's Speech & Language Therapy Service (covering the 5 local authority areas). South Tees Hospitals NHS Foundation Trust were awarded the contract as Most Suitable Provider. Within the tender document South Tees described the intention to sub-contract with North Tees & Hartlepool NHS Foundation Trust to deliver the new service specification across the North Tees footprint. This PSR process is to award the sub contracting element to North Tees as they were the only sub contractor included in the bid and therefore the most suitable provider. This will be a re-procurement of the SALT services, but a new agreement. The official contract start date is yet to be decided by the SALT Leadership team. The total estimate contract value is £13.3m over 7 years.
