II.2.4) Description of the procurement

Irvine Housing Association is seeking expressions of interest from suitably qualified and experienced service providers for the delivery of responsive repairs, void property works and aids and adaptations works under a TPC 2005 (as amended). The contract will be awarded to a single service provider and run for an initial period of 10 years with the option to extend it by up to five years to a total Contract Term of 15 years. The contract will have provision to include additional workstreams over the Contract Term, including (but not limited to) kitchen and bathroom, window and door, electrical, fencing, adaptations, cyclical decorating, FRA and associated remedial works, asbestos removal and roofing works. The appointed contractor will be required to have a robust ICT solution for the delivery of the service and management and transfer of data, and to deliver high levels of customer satisfaction, robust management of complaints and provide mechanisms for customer engagement and customer insight analysis that result in service improvements and delivery of community benefits.

This procurement is being run using a three-stage 'Competitive Dialogue' procedure under the Procurement Scotland Regulations. For further information please refer in particular to: Regulations 58 and 59 of The Public Contracts (Scotland) Regulations 2015, and Regulation 78 of the Utilities Contracts (Scotland) Regulations 2016. Under the first stage of the process, bidders are required to complete a Single Procurement Document ("SPD") and associated appendices. Following evaluation of submitted SPDs, Irvine HA anticipates inviting six bidders to participate in the second stage of the process and Submit Detailed Solutions ("ISDS" stage), following which it will shortlist three bidders to participate in Competitive Dialogue and Submit Final Tenders ("ISFT" stage) under the third and final phase of the process. Full details of all requirements, the evaluation criteria and how to participate are included in the procurement and Tender documents.

II.2.5) Award criteria

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 6

Objective criteria for choosing the limited number of candidates:

As detailed in the procurement documents. 6 Candidates will be Invited to Submit Detailed Solutions although the Contracting Authority reserves the right to increase the number of Candidates invited by 1 or 2 if the scores are closely placed at the cut off point at SPD evaluation stage. Following evaluation of ISDS submissions, 3 candidates will be invited to participate in Competitive Dialogue, though Irvine HA reserves the right to extend that to a maximum of 4 candidates if scores are very closely placed around the cut-off point.

With reference to 4A.1: bidders will be required to confirm that they hold either SafeContractor orSSIP accreditation or, in the event that they currently hold neither of these that the bidder will be willing to sign up to SafeContractor via the "Deem to Satisfy" scheme if successfully appointed.

With reference to SPD question 4C.1; bidders will be required to provide examples of works carried out in the past five years that demonstrate that they have the relevant experience to deliver the work as described in part II.2.4 of the Contract Notice. Additionally, bidders will be required to provide responses to qualitative questions demonstrating their relevant technical and professional experience as detailed in the "SPD Quality Schedule". Responses must be provided in Arial font size 12 and be limited to the page limits detailed in the SPD Quality Schedule. Responses will be evaluated using the following scoring criteria:

0 - No answer provided

1 - Very weak answer providing little or no evidence of the Suppliers technical and professional experience of delivering the Services

2 - Weak answer with limited evidence of the Suppliers technical and professional experience of delivering the Services

3 - Satisfactory answer evidence of the Suppliers technical and professional experience of delivering the Services to a reasonable standard

4 - Good answer providing good evidence of the Suppliers technical and professional experience of delivering the Services to a good standard

5 - Excellent answer providing clear and convincing evidence of the Suppliers technical and professional experience of delivering the Services to an excellent standard.

These scores will be calculated into weighted marks using the following calculation in order to provide a total mark out of 100% as detailed in the SPD Quality Schedule.
Calculation: $\text{Weighted Score} = (\text{Actual Raw Score}) / (\text{Max Available Raw Score}) \times \text{Weighted Marks Available}$.

The SPD Quality Schedule also includes one question that will be scored on a pass/fail basis as follows: Pass = a response of "yes"; Fail = a response of "no".

4C.6 Bidders will be required to confirm that they have the following relevant educational and professional qualifications:

The Tenderer is a member of:

SELECT (Scotland's Electrical Trade Association) and/or

NICEIC (National Inspection Council for Electrical Installation Contracting)

The Bidder's response to question 4C.6 will be scored as follows:

Pass = Tenderer is a member of SELECT (Scotland's Electrical Trade Association) and/or the NICEIC (National Inspection Council for Electrical Installation Contracting).

Fail = Tenderer is not a member of Scotland's Electrical Trade Association (SELECT) and/or the National Inspection Council for Electrical Installation Contracting (NICEIC)

4C.10 Bidders will be required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Response to 4C.10 will not be evaluated. If the bidder has decided to subcontract a part of the contract and relies on the subcontractors capacities to perform that part then a separate SPD for such subcontractors must be completed for sections 1 to 3 inclusive.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

The Contract will run for an initial period of 10 years, with the option to extend it by up to a further five years to a total possible Contract Term of 15 years. The Contract will include clear break clauses for non-performance (linked to the Key Performance Indicators) and a no-fault termination clause allowing either party to terminate the contract with a 12-month notice period (subject to certain conditions as detailed in the Contract).

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Economic operators may be excluded from this competition if they are in any of the situations referred to in regulation 58 of the Public Contracts (Scotland) Regulations 2015.
