II.1.4) Short description

RIIO-2 Carbon Monoxide School Education Delivery Programme. Over the last 5 years our [Cadent] education programme that raises awareness of carbon monoxide (CO) is currently based around two initiatives. These initiatives are called Safety Seymour and The CO Crew, and both programmes have been and continue to be incredibly successful. We have reached over 25,000 children in the last 5 years and these numbers are growing each month. Cadent remain committed to continue to roll out and grow these programmes into RIIO 2 (next 5 years) to scale up to help and support even more children.

We are seeking support to continue delivering these programmes, via several delivery partners to reach a further 40,000 primary, secondary and tertiary students each year totalling 200,000 over the five-year price control (RIIO2).
