## Section VI. Complementary information

### VI.3) Additional information

The scope of the framework covers purchases by public sector organisations, including but not limited to the following:

- Higher Education institutions
- Further Education institutions
- Consortiums and any other Organisation or Body whose core purpose is the support or advancement of further or higher education or of research.
- Any other education institute such a School or College
- Multi Academy Trusts and other such organisations established and acting on behalf of Schools and Colleges
- Specialist Colleges
- Research councils and other such organisations (including those established for the provision of both education and research
- Charities and Third sector organisations
- Local Authorities
- Housing Associations
- NHS bodies and bodies acting on behalf of the NHS
- Emergency services and bodies acting on behalf of the NHS
- Regional Broadband Consortia and any other the organisations connected to or eligible to connect to the Janet network.
- JSL, Jisc, any Jisc subsidiaries and its members.
- Any other wider public sector organisation.

This framework is open to organisations in England, Wales, Northern Ireland and Scotland, as well as members of NRENs outside the UK.

Many of the above organisations are members of higher and further education purchasing consortia. These consortia are independent organisations that provide a wide range of collaborative purchase agreements to their member institutions. Any member of one of these consortia will be eligible to purchase from this framework by virtue of its membership, as will members of any other similar purchasing consortium in higher or further education that might be formed during the lifetime of the framework.

The Framework is available for use by any National Research and Education Network (NREN) and the community it serves where the NREN has either a direct connection to Janet or the NREN is a member at any time during the period of this framework, or the consortium that operates GÉANT.

GÉANT is the pan-European research and education network that interconnects Europe's NRENs. A list of members of the GÉANT consortium (GÉANT Partners) may be found at the URL below. GÉANT may also use this framework.

The framework is available for use by HEAnet, its subsidiaries, member institutions and customers to include schools serviced by the HEAnet school's network. As HEAnet, the NREN of the Republic of Ireland, is connected both to Janet and is a member of the GÉANT consortium.

Country

United Kingdom

#### **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

Jisc Services Limited incorporated a standstill period at the point information on the award of the contract was shared by means of a VEAT notice. This notification provided information on the award decision. The standstill period, which was for a minimum of 10 calendar days, provided time for suppliers to challenge the award decision before the contract was entered into. The Public Contracts Regulations 2015 article 91 provides for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court, London, WC2A 2LL? (England, Wales and Northern Ireland).
