Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Minimum level(s) of standards possibly required

The following list provides details of the sections within the Single Procurement Document (SPD Scotland) that must be completed. The SPD Scotland is located within the Public Contracts Scotland - Tenders (PCS-T) Portal Tender: NHS Lothian – Dental Equipment & Dental Cabinetry, project_18700 and itt_39632.

4B.1.1 Bidders will be required to have a minimum "general" yearly turnover for the last 3 years for Lot 1 Dental Equipment and Lot 2 Dental Cabinetry. The minimum "general" yearly turnover required for both Lots are detailed below:

Lot 1 Dental Equipment - 210 000 GBP

Lot 2 Dental Cabinetry - 75 000 GBP

4B.5.1 / 4B.5.2 It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer's (Compulsory) Liability: 5 000 000 GBP

Public Liability: 5 000 000 GBP

Product Liability: 5 000 000 GBP

III.1.3) Technical and professional ability

Minimum level(s) of standards possibly required

The following list provides details of the sections in the Single Procurement Document (SPD Scotland) that must be completed. It is located within Public Contracts Scotland - Tenders (PCS-T) Portal Tender: NHS Lothian – Dental Equipment & Dental Cabinetry, project_18700 and itt_39632.

- all tendered products must fully comply with the NHS Requirement included in the tender documents.

4C.1.2 Bidders will be required to provide examples that demonstrate that they have the relevant experience to deliver services/supplies as described in part II.2.2 of the Find a Tender Service Contract Notice or the relevant section of the Site Notice. Examples should be provided for each Lot that is being tendered for.

4C.11.1 If awarded the contract potential contractors must provide evidence that tendered products are CE marked. Evidence should be in the form of certification issued by a notified body.

— 4D.1 quality management procedures.

1) The bidder must hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent); or

2) The bidder must have the following:

(a) a documented policy regarding quality management. The policy must set out responsibilities for quality management demonstrating that the bidder has and continues to implement a quality management policy that is authorised by their Chief Executive or equivalent and is periodically reviewed at a senior management level. The policy must be relevant to the nature and scale of the work to be undertaken and

set out responsibilities for quality management throughout the organisation;

(b) documented procedures for periodically reviewing, correcting and improving quality performance including processes for ensuring that the bidder's quality management is effective in reducing/preventing incidents of substandard delivery, this must include the quality of output and general performance;

(c) a documented process for ensuring that quality management is effective in reducing/preventing incidents of sub-standard delivery, this must include the quality of output and general performance. The bidder must be able to provide copies of their organisation's documentation procedures, that meet current agreed good practice. These must include the arrangements for quality management

throughout the bidder's organisation. They must set out how the bidder's organisation will carry out its policy, with a clear indication of

how the arrangements are communicated to the workforce;

(d) documented arrangements for providing the bidder's workforce with quality related training and information appropriate to the type of work for which this organisation is likely to bid. This will demonstrate that the organisation has in place and implements training arrangements to ensure that its workforce has sufficient skills and understanding to discharge their various responsibilities. These must include a programme of training that will keep the workforce up to date with required knowledge about quality related issues, including

copies of job profiles; training manuals and records;

(e) documented arrangements that your organisation has a system for monitoring quality management procedures on an on-going basis. The bidder's organisation must be able to provide evidence of systematic, periodic review and improvement of quality in respect of output and general performance;

(f) documented arrangements for ensuring that the bidders apply quality management measures that are appropriate to the work for which they are being engaged;

(g) a documented process demonstrating how the bidder deals with complaints. The bidder must be able to provide details of how their organisation maintains records of any complaints received and how corrective measures are carried out to prevent reoccurrence.
