Supplies

**II.1.4) Short description**

Bilateral GLA Framework Agreement for Racon Beacons

The Northern Lighthouse Board and Trinity House is seeking the supply and services of an experienced and competent service provider for a Bilateral GLA Framework Agreement for the Supply of Racon Beacons

A key objective of this collaborative Bilateral GLA procurement project, will consolidate all Racon Beacons usage and maintain a joint-GLA specification for the supply and maintenance of all new Racon beacons, it will also standardise the spares, accessories and repair/service utilised under this agreement and reduce the costs for administering separate agreements between the GLA's.
