## Nasal Tube Retainer

Lot No

3

### **II.2.2) Additional CPV code(s)**

- 33692300 - Enteral feeds

### **II.2.3) Place of performance**

NUTS codes

- UKM - Scotland

### **II.2.4) Description of the procurement**

We require a Nasal Tube Retainer that may be fitted to a wide range of patients in differing environments across all Health Boards, with the nasal feeding tubes being supplied by a range of different suppliers.

The nasal tube retaining device shall minimise the chance of patient discomfort while maximising the retention of the nasal tube in the fitted position, and should securely hold the nasal tube to the patient.

The tube retaining device should minimise the opportunity for removal other than that by the patient's carer.

The retaining device should support ease of application with minimal discomfort to the patient and maximise the chance of first time completion of the fitting process.

Once fitted the tube retaining device shall minimise the chance of interference with the designed application of the secured nasal tube.

## **II.2) Description**

### **II.2.1) Title**

pH Paper and Accessories

Lot No

4

### **II.2.2) Additional CPV code(s)**

- 33692300 - Enteral feeds
