Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Community Benefits is key to ensuring sustainable development and ensuring that the wider social and economic

issues are taken into account when tendering works, service or supplies contracts. USW utilises the concepts

wherever possible to deliver those benefits and establishing ways of adding more value via the tendering process.

The University is committed to delivering Community Benefits through its sourcing activity.

Community Benefits are a non-Core requirement and will not be evaluated as part of the Tender.

Upon award the successful Bidder(s) will be expected to work with the University to maximise the Community

Benefits delivered through this contract. This will include, but is not limited to:

Securing positive outcomes that would benefit the University and the community they

operate within for

example:

- Sponsoring student projects or competitions
- Student placements / internships
- Scholarships
- Guest Speaker slots / lectures
- Community project work

When submitting your tender you will need to submit a plan, separate to the tender proposal, detailing how you

would anticipate delivering any benefits through this contract
