Hampshire County Council (HCC) is carrying out this market engagement exercise to aid in the proposed re-procurement of Commercial Waste Collection, Disposal and Recycling Services.

The primary objective of the market engagement exercise is to understand the capabilities and capacity within the market, and to identify how the market can support the Council and gain insight into the most suitable delivery model.

The Council intends to engage with market operators via an Engagement Event to gauge interest and opinion on service delivery and procurement models. The current service is delivered through a single supplier framework and the Council wishes to understand if this is the preferred model for the market. This is an opportunity to influence and shape the future delivery of the service.

The Engagement Event is scheduled to take place on Friday 19th May 2023 at 10:30am -13:00pm in Room 0.01, Castle Avenue, Winchester, SO23 8UJ.
