Contract

Security by Design

Department for Energy Security & Net Zero

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2026/S 000-011007

Procurement identifier (OCID): ocds-h6vhtk-064a39

Published 6 February 2026, 2:33pm

Scope

Description

The Department for Energy Security and Net Zero are commissioning a Security by Design Technical Awareness Guide. The UK endorses Security by Design as a fundamental principle that should be embedded into all future nuclear projects, particularly Small and Advanced Modular Reactors. This project intends to target 'myths' about security by design and debunk them. This will be achieved by creating a Technical Awareness Guide that explains the benefits of Security by Design.

Contract 1

Supplier

- United Kingdom National Nuclear Laboratory

Contract value

- £29,995 excluding VAT
- £35,994 including VAT

Below the relevant threshold

Date signed

21 January 2026

Contract dates

- 21 January 2026 to 31 March 2026
- 2 months, 11 days

Main procurement category

Services

CPV classifications

- 71356000 - Technical services
