II.2.4) Description of the procurement

The services to be procured from the proposed contract are classified under Schedule 3 of the Public Contracts Regulations 2015 as "Provision of services to the community"

Therefore, the services advertised in the FTS contract notice fall among those listed in Annex XIV to Directive 2014/24/EU and the full obligations set out in that directive do not apply. For the avoidance of doubt, the contract is to be procured in accordance with the Public Contracts Regulations 2015 Regulations 74 to 78, more commonly known as the Light Touch Regime. The precise procurement process to be used is as described in the procurement documents.

The procurement is being run as a one stage process, resembling the open procedure and its main features - which includes the core elements of the Standard Selection Questionnaire (SQ). Any organisation that considers itself able to meet the requirements of the selection criteria within the Qualification Envelope is invited to submit a tender.

The description of the service is set out in the procurement documents, particularly the specification - available from: <https://www.capitalesourcing.com>

The duration of the contract is 2 years, subject to the right of the City (at its sole discretion) to exercise its right to extend the Contract by up to 2 years. The maximum length of the contract is therefore 4 years. The annual budget sum for the service is £200,000 and this cannot be exceeded. The estimated total value of the contract is also stated in II.1.5) and II.2.6) of this notice and is for the entire duration.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £800,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

The duration of the contract is 2 years, subject to the right of the City (at its sole discretion) to exercise its right to extend the Contract by up to 2 years. The maximum length of the contract is therefore 4 years.

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

This procurement process is being undertaken using the electronic tendering system 'Capital eSourcing' (url: www.capitalesourcing.com). Suppliers will need to register an interest on the system in order to participate and registration is free.

This is a one stage procurement process; therefore, suppliers will need to register an interest on the system and submit a Tender submission no later than 12:00 on 15.06.2021 in order to participate and registration is free. Tender submissions cannot be uploaded after the return deadline.

The estimated value given at II.2.6) is for the full duration of the Contract, which is four (4) years.

The contracting authority reserves the right at any time to vary the timescales in this notice, cease the procurement process and not award the Contract or to award only part of the opportunity described in this notice. If the contracting authority takes up any of these rights then it will not be responsible for, or pay the expenses or losses, which may be incurred by any candidate or tenderer as a result. Economic operators are solely responsible for their costs and expenses incurred in connection with the preparation of their Tender submissions and all stages throughout the procurement. Under no circumstances will the contracting authority be liable for costs or expense borne by the economic operators.

The services advertised in this notice fall under the services listed in Annex XIV to Directive 2014/24/EU of the European Parliament and of the Council and the contracting authority is not obliged to follow The Public Contracts Regulations 2015 in full. The procurement process that will apply to the services is specified in the procurement documents accordingly.

The proposed contract opportunity is a single identifiable service which would offer no commercial or operational benefits if it was divided into Lots.

Any questions relating to this procurement must be made via the correspondence area in the Capital e-Sourcing system.
