Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

With reference to ESPD question 4B.6 - NHS GG&C will use its financial evaluation matrix to assess the financial stability of tenders.

Tenderers should complete the evaluation matrix spread sheet included in the tender documents and confirm they meet the minimum

requirement score. Tenderers with a score of 50 and above will be deemed to have evidenced satisfactory financial stability. Tenderers

should be able to provide financial accounts when requested by the NHS GG&C.

Minimum level(s) of standards possibly required

With reference to ESPD question 4B.5 it is a requirement of this contract that bidders hold, or can commit to obtain prior commencement

of any subsequently awarded contract, the types and levels of insurance indicated below.

With reference to ESPD 4B.5.1b Employers, (Compulsory) Liability Insurance = 10000000GBP

With reference to ESPD 4B.5.2 Public Liability Insurance = 5000000GBP

With reference to ESPD 4B.5.1a Professional Indemnity Insurance = 2000000GBP

III.1.3) Technical and professional ability

List and brief description of selection criteria

With reference to ESPD question 4C1.2 Tenderers must provide details of four (4) examples of the organisation's experience in delivering

and commissioning services similar to those described, examples must be from within the last 3 years and be on a similar scale to this

Project. Your response should clearly indicate who the customer is in each example.

With reference to ESPD question 4C.9 Tenderers must provide full details of your policy and procedures in relation to the supply of loan

equipment.

Minimum level(s) of standards possibly required

EU Good Manufacturing Practice

With reference to ESPD question 4.D1 Tenderers must hold and evidence ISO9001:2015 Quality Management Systems or equivalent.

Failure to provide any of the details required will result in a non-compliant tender and may be rejected.

1:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The Tender will be evaluated based on the Most Economically Advantageous Tender (MEAT)
Only the top 2 scoring contractors will be taken to the clinical trial.

Award Criteria

Tender responses will be evaluated against the award criteria detailed below.

First Stage – Selection Criteria – All tenderers passing this stage will be taken to the next stage

Second Stage – Mandatory Requirements – All tenderers passing this stage will be taken to the next stage

Third Stage - Quality & Technical Response (27%) – Only the top two scoring tenderers will be taken to the next stage.

Fourth Stage - Clinical evaluation (23%) – the top two scoring tenderers will be taken to the final stage. The

Short-listed candidates will be invited to have their Machines evaluated in a clinical environment.

It is expected that the trials will last for 2 weeks, with Machines and consumables being offered free for the duration of the trial.

Final Stage – Quality Score and Commercial Costs – This will identify the Most Economical Advantageous Tenderer.

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

Sub-contracting is not an acceptable requirement for this Contract.

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

In the Tender Submission, the bidder will be required to detail any social, economic and environmental benefits associated with contract

performance during the contract term in the event of their appointment, in particular, but not limited to any of the following areas:

Social benefits eg: jobs, work experience, training, apprenticeships and mentoring.

Economic benefits eg: use of Small, Medium Enterprises, promotion of opportunities to Social Enterprises and the Voluntary Sector,

community consultation, young person engagement and community sponsorship.

Environmental benefits eg: public art projects,

community improvement projects, resources for community, environmental initiatives and

physical infrastructure.

If there will be no Community benefits, the bidder should state this in the submission. If there will be Community benefits, the tender

submission should include a methodology/plan/statement as to how this will be delivered. There will be a non evaluated question within the

Invitation to Tender.
