Scope

Reference

AT1377

Description

Luton Borough Council is looking to appoint a Principal Contractor to work with us on developing land at two sites in Luton to provide a mix of 6 residential dwellings with parking on one site and 5 residential dwellings with parking on the other site.

Luton Council will be undertaking a competitive flexible tender under the new Procurement Act 2023 and are hosting a Market Engagement event so interested parties can come and hear more about the opportunity and ask relevant questions.

The proposal is vital to providing additional affordable housing to meet Luton's housing need as identified in the latest Local Plan 2011-2031. Both sites have planning permission approved. Both schemes are designed to align with Luton's 2040 Vision ensuring the development is a high-quality specification, incorporating renewable technologies and low

energy solutions to reduce fuel poverty for residents.

Luton Council is keen to work with a pro-active, client focused, competent and intelligent contractor who can deliver excellent value, high quality products in a collaborative way whilst mitigating the impact on the town and neighbours.

If you would like to attend this even which will be held at the Town Hall in Luton on Wednesday 30 April 2025 in the afternoon please email Caroline.Sturman@luton.gov.uk and you will be sent an invite.

Contract dates (estimated)

- 1 September 2025 to 1 September 2027
- Possible extension to 1 February 2028
- 2 years, 5 months, 1 day
