VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Contracting Authority incorporated a standstill period at the point information of the award of the Contract was communicated to bidders. That notification provided full information on the award decision. The standstill period which was for a minimum of 10

calendar days, provided time for the unsuccessful bidder to challenge the award decision before the contract is entered into. The Public Regulations 2015 provide the aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
