### **VI.3) Additional information**

Respondents should note the following:

Expressions of interest must be by way of completion and return of the selection questionnaire (SQ) (in accordance with the requirements set out in the SQ by the time limit in (Section IV.2.3) above)).

The description provided in II.1.4 and the scope described in section II.2.4 represent the current anticipated requirements of IMC3. Rail for London (RfL) reserves the right to amend the description and/or the scope and/or adjust the duration of the contract as a result of emerging requirements.

RfL reserves the right not to award the contract or to award only part of the contract described in this notice.

The total contract value stated on this notice is an estimated value, based on current core requirements and forecast estimated value of repetitive works. This does not represent a guaranteed amount/volume of work, which may be lower or higher than the estimate provided.

The process for selection of bidders to be invited to the negotiation stage of the procurement is set out in the SQ and associated procurement documents.

The award process may be terminated or suspended at any time without cost or other liability to RfL, TfL or any associated party or their advisers.

RfL does not binds itself to enter into any contract arising out of the procurement covered by this notice. No contractual rights express or implied arise out of this notice or the associated procurement process.

RfL reserves the right to vary the procedure relating to the conduct of the award process and to require further information from respondents.

Respondents shall be solely responsible for any costs which they incur as a result of responding to this notice and participating in any aspect of the procurement process described in this contract notice.

To access the procurement documents on SAP Ariba, respondents should:

- Step 1: Visit the SAP Ariba platform using the following link
