Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

1 With effect from 01/03/2025 the Original Agreement shall be amended as set out as follows;

- The termination date shall now be extended to 28/02/2026. That is, a further 12-month extension period above the provision contained within the original contract.
- The service charges for the annual period shall be 35,000.00GBP (Exc. VAT)

2 Save the amendments stated above, all other terms and conditions of the Original Agreement shall remain in full force and effect.

NWSSP Procurement Services are satisfied that compliance is maintained with Reg. 72 of the Public Contract Regulations (2015) against criteria 72.1.b.i and 72.1.b.ii as:

- The proposed extension and costs do not exceed 50% of the original contract value.
- Indicative procurement activity has raised question marks on the affordability of procuring a new solution currently.
- The procuring of a new solution would duplicate costs already incurred as a result of building/implementing the current system.

Compliance is also maintained with 72.8.b as:

- The result of the original procurement would not have been altered by this contract change.
