Scope

Reference

2025/2/CK

Description

Through this project, University of Liverpool are working with MerseyCare NHS Foundation Trust to build on and deepen the understanding of XR in the field.

A specialist contractor(s) is sought to undertake analysis of XR in healthcare to better understand the UK market in terms of capabilities, size, scale, value and opportunities for future growth (Lot 1), and the development of a framework to be produced for use by MerseyCare NHS Foundation Trust to deepen the existing healthcare use cases and opportunities for innovative uses of XR in the services offered by the Trust (Lot 2).

Total value (estimated)

- £100,000 excluding VAT

- £120,000 including VAT

Below the relevant threshold

Contract dates (estimated)

- 9 May 2025 to 31 October 2025
- 5 months, 23 days

 - 73220000 - Development consultancy services
-

Lot LOT-0001. XR Healthcare Landscape Review

Description

A comprehensive mapping and analysis of the businesses, healthcare organisations and

universities working with XR in healthcare. The review should provide a detailed understanding of the UK's capacity and capabilities, the size and scale of the market, its potential value and future growth.

Lot value (estimated)

- £0 excluding VAT
- £0 including VAT

Same for all lots

CPV classifications and contract dates are shown in the Scope section, because they are the same for all lots.

Lot LOT-0002. XR Framework Development for Mersey Care NHS Foundation Trust**Description**

Development of a practical Framework to guide the adoption and deployment of XR technologies within mental health service provision. This Framework should be informed by the Landscape Review, existing XR technology landscape reports, and relevant strategic documents. The Framework should, also, propose and define innovative XR prototypes (use cases), applicable to NHS mental health services, that can be developed with industry partners, then, practically trialled in real world settings with support from CHIL, the VEC and Mersey Care NHS Foundation Trust.

Lot value (estimated)

- £0 excluding VAT
- £0 including VAT

Same for all lots

CPV classifications and contract dates are shown in the Scope section, because they are the same for all lots.
