Description

The CHI-Zone is being established by the University of Liverpool (UoL) to spearhead the use of data and technology to transform health and social care integral to that Programme. This £10m+ initiative will leverage the knowledge and expertise of UoL's Civic Health Innovation Labs and Virtual Engineering Centre to support research and innovation, education and training involving academics, health and care professionals, LCR residents and communities, SMEs and Large Corporates. The CHI-Zone will be delivered April 2025 - March 2029. UoL wishes to appoint an Independent Evaluator via a Competitive Flexible Procedure to design and carry out a comprehensive evaluation of the programme.

Any resulting contract will be subject to the University of Liverpool's Consultancy Terms and Conditions in Document G.

UoL is seeking to appoint the contract to a single Supplier.

For the successful tenderer the resulting contract will be for an initial term of approximately two (2) years. The term may be extended for a further two years at the sole discretion of the University. Please note that the initial and extended terms are linked to key delivery milestones.
