Currently there are approximately 1,500 pupils across all 3 'schools'. The GCSE results are continuously improving and pupils achieve excellent A-level results. There are 170 teaching and administrative staff. There is one main school kitchen and servery that all 3 'schools' use for catering, as well as an outside pod and 6th form coffee shop. The Tender: The tender project is seeking to appoint a Contractor whose initiative and innovation will be welcomed for the provision of service within the existing facilities of the school, with a focus on exciting new food concepts to satisfy a wide range of pupil tastes and dietary requirements. The School would wish the successful contractor to review the current range of services offered and make recommendations accordingly. The contract being tendered is for three years in duration from 1st April 2023 to 31st March 2026 with the option to extend for up to a further 2 years at the discretion of the client. This contract will operate as a Guaranteed Performance Contract, with the successful Contractor offering the School a guaranteed return / cost per annum for the provision of catering services. Sovereignty of the cash tariff is to remain with the School for the duration of this contract. The School year is based on a calendar of 195 days. Five days are to be used for staff professional development which means that School will be open to receive students for the legal minimum of 190 days. The contract offered covers the scope for the provision of all catering services within the School, which currently includes breakfast club, morning break, lunch, all hospitality and free issue requirements. Free School meals are to be charged per pupil on uptake with a margin attached, and hospitality will be charged based on consumption and at net food cost. The School expects the successful contractor to enable the continued development of catering through the provision of an innovative, healthy food service, with fresh, seasonal, locally sourced ingredients being prepared on-site. The School expects the successful tenderer to evidence, through their bid, how they shall support and complement its values and support the principles of Every Child Matters.
