## **II.2.4) Description of the procurement**

Provide high quality, equitable, cost-effective integrated sexual health services that is part of a Suffolk health and social care system that addresses population need and contributes to a reduction in inequalities in health and life chances. The services will provide a combination of a universal offer and targeted approach that fulfils its health protection role in the prevention of infectious disease transmission and access to contraception that enables people to participate in economic and social spheres. Key areas of focus will be using innovation to:

- meet the needs of underserved groups and those with complexity/vulnerability
- increase access at place
- targeted outreach
- realise opportunities to embed prevention
- contribute to developing a skilled workforce

Contract Start Date: 1st May 2024

Please Note - This request does not constitute a call for competition to procure any services. This prior information notice is to inform that further information has been added to the dedicated web page for this procurement. The web page now includes:

- Market engagement stakeholder event agenda and Suffolk Public Health and Communities vision and commissioning model for the service
- Opportunities for interested parties to book 1:1 meeting slots with Suffolk commissioners and procurement leads to discuss anything relative specifically to their business or potential bid.
- Information on how to book spaces on the Market Engagement Stakeholder event on 25th April, for those interested who have not already done so. The web page address is: [www.healthysuffolk.org.uk/sexualhealthprocurement](http://www.healthysuffolk.org.uk/sexualhealthprocurement)

Please note that all new information relevant to this market engagement will be added to this web page going forward, including the presentations and Q&A document after the event and individual 1:1 meetings have taken place.
