Characteristics of the New Vessel as detailed below:

Length Overall (LOA) max 70.00 m

Breadth, mld. max 16.00 m

Breadth extreme max 16.30 m

Air draught at design draught max 27.00 m

Draught (design) 3.40 m @ 14 days endurance

Draught (max design) 3.90 m @ 30 days endurance

Draught (scantling) 3.95 m

Frame Spacing 0.60 m

Full Service Speed 14 knots

Light weight 1900 tonnes approx.

Transit speed 10.5 knots in rough weather up to sea state 6 (5 metres sig wave height)

Eco-speed (normal transit) 10.5 knots

Eco-speed (survey work with auto pilot) 5 knots

Bollard Pull based on reversed engineering Estimated 60 tonne

Further information are detailed within the Selection Questionnaire document.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £30,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

27 July 2022

End date

30 September 2024

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 6

Maximum number: 8

Objective criteria for choosing the limited number of candidates:

This is a 2 stage procurement notice using the Competitive Procedure with Negotiation. Tenders should note that in accordance with Regulation 29(19) of the Public Contracts Regulations 2015 the procurement will take place in successive stages in order to reduce the number of

tenders to be negotiated.

The Selection Questionnaire will be assessed following which the highest scoring tenderers will be shortlisted. It is anticipated up to 6 tenderers will be shortlisted. Shortlisted tenderers will be required to submit an initial tender in line with the procurement documentation. Following assessment of initial tenders, the lowest scoring tenderers will be deselected. It is anticipated up to three tenderers will continue in the process with negotiations based on the initial tender prior to submission of final tenders which will be evaluated and ranked to identify the successful tenderer.

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

To respond to this opportunity please click here: <https://www.delta-sourcing.com/respond/S86S9W53G3>

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Competitive procedure with negotiation

IV.1.4) Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

IV.1.5) Information about negotiation

The contracting authority reserves the right to award the contract on the basis of the initial tenders without conducting negotiations

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

15 July 2021

Local time

2:00pm

IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates

30 September 2021

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Duration in months: 12 (from the date stated for receipt of tender)

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of

tenderers will be based solely on the criteria set out for the procurement.
